Community Workshops for “All-In” County Plan

Allamakee County is partnering with Upper Explorerland Regional Planning Commission (UERPC) to develop a new comprehensive plan for the County. Dubbed *All In Allamakee*, or the “All-In Plan” for short, the plan will consider a host of issues and topics that affect quality of life in the County, ranging from public infrastructure and housing to parks and transportation.

There are three upcoming community workshops for the All-In Plan that will be held in Postville, Lansing, and Waukon. At these workshops, attendees will help create a countywide vision for Allamakee County’s future through interactive community visioning activities. All residents of Allamakee County, as well as those who visit or work in the county, are invited and encouraged to attend

All workshops begin at 5:00 p.m. and will last about an hour and a half. There will be a brief presentation at the start followed by interactive activities. Members of the public are free to come and go at any time during the meeting, even if they miss the beginning. Light refreshments will be provided. The schedule for the three community meetings is below.

- **Postville:** Tuesday, October 9th at UERPC offices, 134 West Greene Street
- **Lansing:** Wednesday, October 10th at the Driftless Area Education and Visitor Center, 1944 Columbus Road
- **Waukon:** Thursday, October 25th at the Senior Center at Waukon Wellness Center, 1220 3rd Avenue NW

Additionally, all residents of Allamakee County and those who visit or work in the county are invited and encouraged to give feedback on a broad array of issues by completing an online survey and a quick questionnaire. Visit the web addresses below to take the survey and answer the brief questionnaire.
