Old Business: The Commission reviewed the request from Patrick and Karran Ryan and Brian and Suzette Mahoney to remove the Ag Legend restriction from the plat of Lot 2, SE ¼ SE 1/4, Section 9, T99N, R6W. Brian Mahoney was present and advised the Commission that the pending sale of the parcel was no longer pending as the buyer had withdrawn his offer. The owners have decided to keep the property for their personal use, but need the ag legend removed since the property is too small and in such poor condition that it is no longer valid for agricultural use. Gragg advised that she still holds the position that the property is not suitable for a development lot. Pladsen stated that this small parcel is the last parcel owned by the applicants and it is not of sufficient size to be an ag use parcel. After discussion regarding existing use of property, flood plains, proposed use of property and preservation of ag uses, Cahoon made a motion to approve the request. Pladsen seconded. Ayes-Cahoon, Pladsen, Everman. Nays-Leppert, Gragg. Motion carried.

The Brainards had filed to allow creation of a lot less than three acres for a sale to another for personal storage use. own residential use. Gragg made a motion to deny the request for land division and property use

b) Dave and Pamela Kruger presented a request that the Commission establish a winery expansion
as a use allowed in the A1 district. Blake gave a report to the Commission regarding the
proposed use and recommended the Commission approve the use as a Home Industry use,
allowed as a conditional use in the A-1 District. Pladsen made a motion to establish the Kruger’s
use request as a conditional use in the A1 district as a Home Industry use and referred the
matter to the Board of Adjustment for consideration, with a recommendation that it be
approved as a Home Industry with a minimum of a one year permit time frame.

The use has created a nuisance and is using the well and road disproportionately. During one 3 day period there were 108 cars entering and exiting the shared road/drive. The neighbors did not agree with the Zoning Administrators definition of roomer since it was not the same as roomer under Iowa Landlord/Tenant law. They alleged negligence on the part of the County Attorney for accepting a plea deal, reducing 11 counts down to 1 count and they were dissatisfied with the outcome. was that of a multi-family dwelling, not single family. The advised that they want this use shut down and that it was having a negative effect on their property values.
